

OKLAHOMA WATER ENVIRONMENT ASSOCIATION ASSOCIATION MEMBER APPLICATION

Association Member Cost: \$25.00

ASSOCIATION MEMBER: This classification enables individuals to join the OWEA without joining the Water Environment Federation, and for an annual fee of only \$25

ASSOCIATION MEMBERS receive all OWEA communications and are entitled to membership discounts for all OWEA functions. They may serve on all OWEA committees and be active in OWEA activities; however they may not serve on the OWEA board. They will not receive WEF publications, nor will they be eligible to sit on any WEF boards or committees.

Although WEF members believe that the full membership fee is a bargain, including all the publications and discounts, we recognize that some individuals would like to join OWEA and opt out of the WEF materials.

To become an Association Member please complete the following application form with chosen payment method show below and send to OWEA.
